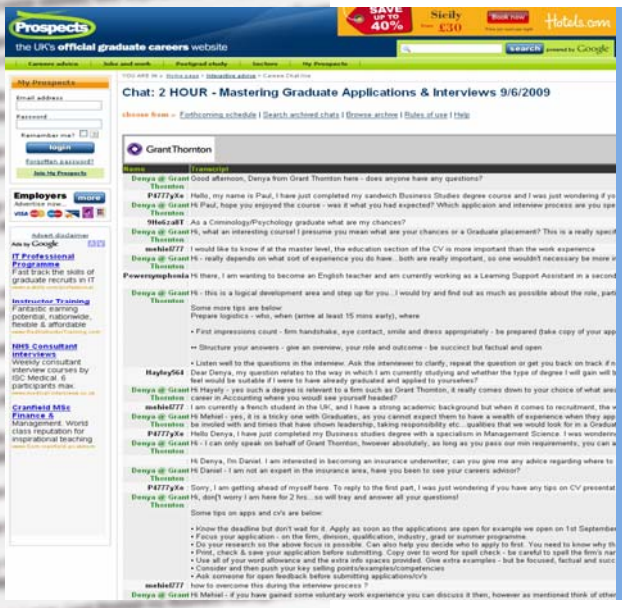
Prospects ChatLive



Interact online with your target audience

Availability: throughout the year

Prospects ChatLive provides moderated online chat events allowing you to engage directly with students and graduates. Using software created by Prospects, you can communicate quickly and with ease from any Internet-enabled computer.

Chats can give potential applicants a direct insight into your organisation's culture and allow you answer questions relating to graduate recruitment. They can also be used to build on recruitment messages in Prospects publication or online.

Your Prospects ChatLive package includes:

- One hour chat event to answer students' questions
- Easy to use software requiring no downloads
- Opportunity to have multiple staff from across your organisation participating
- Chatroom moderation from Prospects for complete peace of mind
- Transcripts stored on Prospects.ac.uk for all to access for 6 months following your chat events

Promote your Prospects ChatLive event in advance with button advertising on Prospects.ac.uk or use a targeted email messaging campaign to alert your chosen audience – ask your Account Manager for further details.
