Prospects Virtual Fair offers you the interaction of a recruitment fair without the expense and travelling time associated with such events. Using software created by Prospects, you can raise your organisational profile, chat with students and graduates online and post vacancies from any Internet-enabled computer. Over 11,000 students and graduates attended over 7 days in 2008 – can you afford to miss out?

Your Prospects Virtual Fair package includes:

- Hour long chat events for you to host (group sessions or 1-2-1)
- Fully searchable organisation profiles within the Exhibition Zone
- Job vacancies posted for attendees to search
- Access to CV database containing CVs from registered fair attendees
- Event promotion through Prospects.ac.uk homepage, emails and newsletters
- Easy to use software requiring no downloads
