

## Prospects.ac.uk: Answers

---

1. Select **Search job vacancies** from the Jobs and work menu and tick the Advertising, Marketing and PR job category.
2. Select **Find graduate employers** from the Jobs and work menu and click on 'L'.
3. In the Search job vacancies page, select Engineering and use the Add location button to select North West England. Click on **Save job search in My Prospects** and register/login to complete the process. Alternatively, select **Job vacancy alerts** from the My Prospects menu, login/register and create a new search.
4. In the Work experience community, click on **Search work placements** and select Finance and management consultancy from the list of job categories.
5. Select **Find courses and research** from the Postgrad study menu. Choose History or Russian, Slavonic and Related Studies from the subject list and University of Bristol from the list of universities. Click on Apply online.
6. Select **Funding my further study** from the Postgrad study menu. Click on Sources of funding, then Funding for students with disabilities. The answer is Disabled Students' Allowance (DSA).
7. Select **Careers fairs** from the Careers advice menu and click on the link to the Virtual fairs page.
8. Select **Interactive advice** from the My Prospects menu and click on CV evaluation. Scroll down to find the price.
9. Choose **Explore types of jobs** from the Jobs and work menu and use the A-Z index to view the lists of occupations. Details of qualifications are given in the Entry requirements page and typical salaries are in the Salary and conditions page.

10. In the Careers advice menu, select **Options with your subject** and scroll down to the psychology link. There are lists of suitable occupations in the Job options page.
11. Go to **Country specific information** in the Careers advice menu, choose Australia from the list of countries and click on the Visa and immigration page. You can also access this part of the site from **Explore working abroad** in the Jobs and work menu.
