THE ECCTIS/CRAC GUIDE TO STUDENT FINANCE

Leaving home is difficult enough, even without the confusion that surrounds tuition fees and loans, and the challenges of surviving on a budget.

Whether it's choosing a university, accommodation or a bank, staying solvent or dealing with debt, **Balancing your books** provides you with objective guidance on all aspects of student finance. It offers:

- ▶ practical and realistic advice from students and their parents
- ▶ a step-by-step guide to applying for tuition fees support and student loans
- ▶ simple budgets and easy-to-follow action plans that work
- ▶ the latest information on sponsorships, scholarships and other sources of financial help
- ▶ masses of signposts to further information and websites.

Price: £5.99 including p+p.
